INTRODUCTION

WELCOME

Welcome to St Peter Institute! This handbook provides you with everything you need to know about studying with us in Australia. By choosing our Institute as your education provider, you are choosing one of Australia's leading education and training provider, ensuring you graduate having the skills and knowledge to excel and succeed in your chosen career, or further study pathways.

ABOUT US

Located in Melbourne, St Peter Institute provides courses in the areas of workplace skills, business, leadership and management, project management, and civil construction design. The Institute's campus is in the heart of Melbourne and offers our students world class facilities. Our trainers are leaders in their industry, and with access to modern equipment and resources, St Peter Institute is a wise choice for your learning and future success.

St Peter Institute is a provider of vocational education and training (or VET as it is commonly known). The VET sector in Australia is based on a partnership between governments and industry. VET qualifications are provided by government institutions, called Technical and Further Education (TAFE) institutions, as well as private institutions.

We are a private institution. VET courses broaden your skills in specialised areas and are competency-based. This means that you are either Competent, or Not Competent, and if you achieve competence for all your units that make up a qualification, then you can be awarded with your qualification certificate. To read further about vocational education and to see the various certificate levels which make up the framework, follow the link: [Vocational Education and Training \(VET\)](#)

As well as offering VET courses, we also offer English language courses (also known as ELICOS courses) designed specifically for students from overseas studying in Australia. These courses will enable you to develop your English language skills for everyday life, including work and study. To read more about English courses and the types of English language courses, follow the link: [English Courses](#)

OUR OBLIGATION TO YOU

As a Registered Training Organisation (RTO) and CRICOS Education Provider, registered with Australian Skills Quality Authority (ASQA), we have an obligation to ensure the quality of the nationally recognised training we deliver. We must comply at all times with the Standards for RTOs 2025, which are part of the VET Quality Framework, as well as the Education Services for Overseas Students Act 2000 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code) and the ELICOS Standards 2018.

We take our obligations seriously, so we have developed policies and procedures, along with systems within our business, to make sure we comply with the standards and legislation. As we are responsible, this means that we take responsibility for any third parties we may work with, this includes training partners, education agents and sales/marketing providers. We participate in audits with the regulator (ASQA) and must provide them with evidence of compliance and information when they request it.

We are also required to issue you with your Australian Qualification Framework (AQF) certification documents (VET courses only), once you have been assessed as competent for the course Units, and with certification for ELICOS courses too. If you have any concerns regarding the Institute's services, please approach a member of staff to discuss your concerns. A range of support options are provided through our Complaints and Appeals Policy and Procedures.

VISAS AND CONDITIONS

After you have successfully completed the application and enrolment process, you will be issued with a Confirmation of Enrolment (CoE). Once you have this, you can apply to the Department of Home Affairs for a student visa. You may choose to use a Registered Migration Agent, or may choose to complete it yourself. More information about how to apply for a visa can be accessed here:

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder/study>

Once you have received your visa, you must abide by its conditions. If you don't, your visa may be cancelled, and you could be sent home and won't be able to finish your course. Conditions include, but are not limited to):

- Satisfy attendance and/or course progress requirements and maintain a valid enrolment for your course.
- Only work if you have been given permission to do so as part of your visa grant (and not work more than the stipulated number of hours).
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia.
- Notify us of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE you received.
- Remain with the principal education provider for at least 6 months unless you are issued with a letter of release from the education provider to attend another institution.

WHAT IS A USI AND WHY DO I NEED ONE?

USI is the acronym for *Unique Student Identifier*. It is a reference number that creates an online record of your training and qualifications attained in Australia. If you don't have a USI, then you can't be awarded your qualification or statement of attainment.

Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student, you must provide us with your USI. For information about USIs including how to create one visit <https://www.usi.gov.au/>.

For information on exemptions visit: [VET exemptions from reporting the USI | Unique Student Identifier](#)

If you are having trouble creating a USI, we will assist you during the orientation session on the first day. Should you provide the Institute with a copy of your USI Transcript, whether hard copy or in an electronic format, the Institute will not share the Transcript without your permission.

You grant the Institute permission to search for your USI number should the need arise. Please note that if you are only studying an ELICOS course with us, you do not need a USI.

EDUCATION AGENTS

St Peter Institute uses education agents to assist us to recruit students. We have written agreements in place to ensure ethical practices as we hold our responsibility to our students, the sector and reputation of the VET industry in Australia very seriously. A list of approved education agents can be found on our website at: <https://spi.vic.edu.au/>

RECOGNITION OF PRIOR LEARNING (RPL) AND CREDIT TRANSFER

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised. You need to let us know that you want to apply for RPL at the time of application by indicating this on the application for enrolment form in the relevant section. There is a charge for RPL, and this can be viewed in the 'Fees and Refunds' section of this handbook. RPL can also reduce your course duration and fees.

We will inform you in writing of any reduced course duration and fees due to credit transfer and RPL and issue your CoE for the reduced duration of the course.

Please note that although we are required to offer you RPL, it would not be expected as an international student that you would pursue this opportunity as most likely you would not have relevant workplace experience and existing skills and knowledge.

Credit transfer is a formal recognition of previous studies and can help to reduce the duration of your course, as well as fees. You may apply for a credit transfer for a complete unit or modules within a unit. There is no charge to apply for a credit transfer, but you need to let us know that you want to apply for this on your application for enrolment form in the relevant section. You will need to provide a certified copy of your certificate either issued by another education provider or an authenticated VET transcript issued by the USI Registrar.

COURSE ORIENTATION/INDUCTION

SPI requires all students to attend an orientation session, where new students are introduced to the staff, are familiarised with the campus and facilities, and made aware of key policies and procedures.

It's a requirement that you attend the Orientation session as we will cover the following topics:

- Course information.
- Facilities and resources available at our campus.
- Emergency evacuation procedures.
- Your rights and responsibilities as a student.
- Support services available.
- Legal, emergency, and health services.
- Safety relevant to Australia and your environment.
- Critical incidents and critical incident reporting.
- Policies about course progress, attendance monitoring, deferral, suspension and cancellation, course transfer and our complaints and appeals process.
- Student visa conditions related to course progress and attendance.
- Information about work rights.
- Question and answer session.
- Assistance in creating your USI if you have not done so already (VET students only).
- You must attend Orientation session before you start the course (training).
- Date and Time will be provided by Admin staff one weeks prior to course start date.

WHAT CAN I EXPECT DURING TRAINING AND ASSESSMENT (VET STUDENTS)?

Vocational training and assessment is all about practical and competency-based learning and assessment that is relevant to industry and our modern world.

You will learn in the classroom and/or the practical work environment where the industry conditions are simulated to prepare you for your chosen career, or pathway to further study. You are required to complete a range of assessment activities dependent on the course you are undertaking. Your assessment tasks will either be marked as Satisfactory or Not Satisfactory. Achievement of a Satisfactory result for all assessment tasks within a unit of competency results in a mark of Competent for that unit. Once you have received a mark of Competent for all units that make up the qualification, you will be eligible to be awarded your qualification.

WHAT CAN I EXPECT DURING TEACHING AND ASSESSMENT

ELICOS STUDENTS?

ELICOS courses enable international students to develop their English language skills for a variety of purposes. You will find detailed information about the English language courses we offer in our course information brochures. When you enrol in an ELICOS course you will first complete an English Placement Test and be placed in a suitable level for your current English skills. All your learning will take place in the classroom, and you will complete a range of theory-based and practical activities. You will also have access to a variety of multimedia resources to help you. You will be required to complete a range of assessment activities dependent on the course you are undertaking. Your teacher will explain these assessment requirements to you, as well as timing of the assessments and the criteria against which you will be assessed and the marks you must achieve. If you pass the course, you will be awarded a Certificate. There are many benefits to participating in a work placement. You will have the opportunity to:

- apply the knowledge and skills learned during your course in a workplace setting
- gain skills that are recognised by industry
- get to know an employer.

St Peter Institute may assist you to find a work placement, or you may find your own work placement. Further information will be provided at your orientation. However, it is important to understand that as a requirement of work placement you will be required to complete a National Police Certificate, and some workplaces may require further checks such as working with children and disability worker checks. You will need to pay for these checks yourself and as a guide these checks would be around \$50 - \$80 each. Further details will be required at orientation. It is also important to understand that certain workplaces have immunisation requirements. If you have any concerns about these requirements, please speak to us.

REASSESSMENT ARRANGEMENTS

RE-ASSESSMENT (VET STUDENTS)

If required, arrangements for reassessment will be made by your trainer/assessor. To be graded as 'Competent', for each course unit you, must satisfactorily complete all required assessment tasks.

RE-ASSESSMENT (ELICOS STUDENTS)

If required, arrangements for reassessment will be made by your teacher. To pass the course you must achieve a minimum grade of 60% in reading, writing, speaking, and listening.

RE-ASSESSMENT (ALL STUDENTS)

You are entitled to two attempts at each assessment task and if you exhaust both attempts, then you will be required to pay an additional cost for re-assessment as outlined in the 'Fees and Refunds' information and this will also be outlined in your *Student Agreement* signed at enrolment. Please refer to the 'Fees and Refunds' section for more information.

SUPPORT AND WELFARE

We all need a little extra help or support sometimes. When you are living and studying overseas you may need a little bit more than you normally would. We are here to help you, so don't ever be shy or hesitate to let us know what you are going through and how we can help.

We offer the following in relation to support and welfare:

- One-to-one support from the trainer/assessor.
- Support with personal issues.
- Access to additional learning resources.
- Reasonable adjustment in assessment.
- Social events.
- Buddy program.
- Information about external sources of support.

You may not have studied for a while, may have English as a second language or need additional assistance. We will identify any additional support needs you may have at the time of application and enrolment and may prepare a Student Support Plan for you based on those needs.

We have a range of information we can provide you with on a variety of issues, this may be related to accommodation, legal or financial issues, cultural considerations, disability support, stress management, or maybe you are experiencing a bout of homesickness. If you are experiencing it – then we are concerned about it. Please communicate with us because we care. We don't charge for internal services, but you will be responsible for any external provider's costs at the time you access the services. We can assist you to find local groups of like-minded people in the area, connect you with other students with similar interest groups, or simply be a friendly listening ear when you need one.

Depending on your needs, we will provide you with a referral to the relevant local organisation and assist you to access services from them. Some support services are listed in our 'Important information about Australia' section of this handbook – but it's best to come and speak to the Administration and Student Support Officer where you can have a confidential discussion and get the right type of service and support for your need or concern.

ISSUING CERTIFICATES (VET STUDENTS)

Once you have been assessed as Competent in all course units, in which you are enrolled, and have paid all your relevant fees, we will issue you with your qualification and record of results within 30 days.

If you complete only some of the required course units, then you will be issued with a Statement of Attainment (SoA) within 30 days. A Statement of Attainment will list all the units that you have completed.

We reserve the right to withhold the issuance of any certificates until all fees have been paid, except where we are not permitted to do so by law. Also, we cannot issue your qualification if we do not have your USI number on file, which is why we ensure upfront that you have created one, and assist you to do so at the time of orientation if you have not created one prior to this.

REISSUING CERTIFICATION DOCUMENTS

We are required by law to keep records of your qualification(s) and units achieved for at least thirty (30) years. If you lose your qualification or statement of attainment, we can reissue these to you for an additional charge. Refer to our 'Fees and Refunds' section for more information.

ISSUING CERTIFICATES (ELICOS STUDENTS)

Once you have successfully completed the course you are enrolled in and have paid all your relevant fees, we will issue you with your qualification and record of results within 30 days. If you withdraw, meaning that you only partially complete your course, then you will be issued a partial completion certificate within 30 days of withdrawal for the number of weeks you have completed. We reserve the right to withhold the issuance of any certificates until all fees have been paid, except where we are not permitted to do so by law.

FEEDBACK

Your feedback is important to us! Like all businesses, we strive to improve and use feedback to make changes in line with continuous improvement. We want to make sure we are meeting the needs of current and future students so please let us know if something isn't right or you have a feedback suggestion by emailing or calling us.

You may also receive surveys from us from time to time. Please complete these and return as advised.

If you are a VET student, you will also be provided with a Quality Indicator Survey which is issued by the National Centre for Vocation Education and Research (NCVER). We hope you will complete this as it's an important way for us to get feedback.

IF YOUR DETAILS CHANGE...

From time to time, your personal details may change. You might get a new mobile phone number, change your address, or emergency contact details. It's actually a condition of your visa to notify us within 7 days if your address changes.

If you ever notice that something isn't right with some of your personal information or our records. Please let us know so we can amend your records and correct it.

WHAT'S REQUIRED OF ME AS A STUDENT?

The next section of this handbook outlines important policies and processes that you need to know about as a student. It's expected that you have read through and are familiar with this information – keep this handbook handy for future reference so you can refer to it when needed.

You are also expected to read through and abide by the Student Code of Conduct which is included in the next section below along with other important information. You can also find out more about the ESOS Framework which protects your rights at: [Education Services for Overseas Students Act 2000](#)

We look forward to welcoming you as a new student if you are not one already and wish you the best of luck in your studies and your time spent here in Australia!

POLICIES AND PROCESSES

FEES AND REFUNDS

We want to make sure you understand all fees and charges associated with your course so please carefully read this section.

You can find out about the fees for a course on the Course Brochure and in addition all fees associated with your course are included in the Student Agreement. The Student Agreement also includes a detailed payment schedule and payment options, as well as your rights.

We will also tell you about the potential for fees and charges to change over the duration of their course, although it is unlikely that fees and charges will change.

We protect your fees at all times:

- by maintaining a sufficient amount in our account so we are able to repay all tuition fees already paid
- through our membership of the Tuition Protection Scheme (TPS). The role of the TPS is to assist international students where we are unable to fully deliver their course of study. The TPS ensures that you are able to either complete their studies in another course or with another education provider or receive a refund of your unspent tuition fees
- by not requiring you to pay more than 50% of course fees prior to commencement, except where a course is less than 26 weeks. However, you may choose to pay your fees in full or a greater amount than 50%. Please contact us if you would like to pay more than is documented in your student agreement.

REFUNDS

Please carefully read the following information about refunds. This applies whether you paid the fees, or an education agent paid the fees and non-tuition fees on your behalf.

All application fees are non-refundable except where we cancel a course before it has started.

If we cancel a course either before or after it starts, you will receive an automatic refund and do not need to complete the Refund Application Form. The refund will be provided within 10 working days of the default.

In all other circumstances, you should complete and submit a Refund Application Form which can be accessed from our office. This form must be submitted within 10 working days of the event that led to the request for the refund. The outcome of the refund assessment will be forwarded to you within 20 working days, as well as any applicable refund.

Refunds will be paid to you or to the person or organisation who paid the course fees and will be paid in Australian Dollars.

The refund policy does not remove your right to take further action under Australian Consumer Law.

INTERNATIONAL STUDENT REFUNDS

In addition to the above circumstances, refunds apply as follows:

CIRCUMSTANCE	REFUND DUE
St Peter Institute cancels course before commencement.	Full refund of all fees.
St Peter Institute cancels course following commencement.	Full refund of all unspent fees calculated as follows: Weekly tuition fee multiplied by the weeks in the default period (calculated from the date of default)
CIRCUMSTANCE	REFUND DUE
St Peter Institute has not provided a Student Agreement that meets the requirements of the National Code 2018.	Full refund of all unspent fees calculated as follows: Weekly tuition fee multiplied by the weeks in the default period (calculated from the date of default).
Student withdraws up to 4 weeks prior to course commencement.	Application fee not refunded. Refund of all other fees and charges.
Student withdraws less than 4 weeks prior to course commencement.	Application fee not refunded. Refund of 90% of all other fees and charges.
The student does not commence on the agreed start date and has not previously withdrawn.	No refund. Fees for full study period (term) to be paid.
Student withdraws after commencement.	No refund. Fees for full study period (term) to be paid.
Student's enrolment is cancelled due to disciplinary action.	No refund. Fees for full study period (term) to be paid.
Student breaches a visa condition.	No refund. Fees for full study period (term) to be paid.
The student has supplied incorrect or incomplete information causing St Peter Institute to withdraw the offer of the course prior to commencement.	No refund. Fees for full study period (term) to be paid.

The student is refused a visa because they did not pay start their course at the agreed location on the agreed starting day or they withdrew from their course with St Peter Institute or they did not pay an amount due.	No refund. Fees for full study period (term) to be paid.
The student is refused a visa and therefore does not commence their course on the agreed starting day or withdraws from the course on or before the agreed starting day because of the visa refusal.	The refund amount is calculated as follows: The total amount of all course fees (tuition and any non-tuition fees) received before the default day minus either 5% of the amount of course fees or \$500 – whichever is the lesser amount. <i>As an example, to illustrate this, if Raj has paid \$1,500 in course fees but has his visa refused; 5% of \$1,500 is \$75. As this is a lesser amount than \$500 this is what will be paid as a refund i.e., the refund amount will be \$1,425.</i>

CIRCUMSTANCE	REFUND DUE
The student is refused a visa and has already commenced their course.	The refund amount is calculated as follows: The weekly tuition fee 'X' weeks in the default period. <i>As an example, to illustrate this, Raj is studying a 40-week course. Each term is 10 weeks. The total fees for Raj's course are \$10,000 in tuition fees and \$500 in material fees. Raj pays the first term's tuition fees of \$2,500 plus non-tuition fees of \$500. However, Raj completes 2 weeks (14 days) of his course but then has his visa refused.</i> <i>The weekly tuition fees for this course amount to \$250 per week.</i> <i>The number of weeks in the default period is 8 weeks (56 days) i.e., to the end of the first term.</i> <i>Raj is therefore eligible to receive a refund of \$2,000 i.e., the weekly tuition fees of \$250 x the number for weeks in the default period of 8 weeks. Raj won't be eligible to have the non-tuition fees refunded.</i>

COMPLAINTS AND APPEALS

At any time, should you be dissatisfied with the services we provide, or want to appeal a decision we have made, you may submit a complaint or an appeal for the decision we made. We take your complaints and appeals seriously and will ensure in assessing them that we look at the causes and actions that we can take to ensure it does not happen again/reduce the likelihood of it happening again.

Complaints can be made against us, our trainers and assessors and other staff, another learner of St Peter Institute, as well as any third party that provides services on our behalf such as education agents.

Complaints can be made in relation to any aspect of our services.

Appeals can be made in respect of any decision made by St Peter Institute. An appeal is a request for St Peter Institute's decision to be reviewed in relation to a matter, including assessment appeals.

In managing complaints, we will ensure that the principles of natural justice and procedural fairness are adopted at every stage of the complaint process. This means that we will review each complaint or appeal in an objective and consistent manner and give everyone the opportunity to present their point of view.

Our internal complaints and appeals process can be accessed at no cost. We do encourage you to firstly seek to address the issue informally by discussing it with the person involved.

However, if you do not feel comfortable with this or you have tried this and did not get the outcome you wished you can access the formal complaints and appeals process.

If you want to make a complaint or appeal, you must:

- submit your complaint or appeal in writing using the complaints and appeals form. The complaints and appeals form outlines the information that should be provided and can be accessed from reception
- submit your complaint within 30 calendar days of the incident or in the case of an appeal within 30 calendar days of the decision being made.

We will acknowledge your complaint, or appeal will be acknowledged in writing within 3 working days of receipt. We will review your complaint, or appeal will commence within 5 working days of receiving the complaints.

Complaints and appeals will be finalised as soon as practicable or within 30 calendar days. However, where the complaint or appeal is expected to take more than 60 calendar days to process, St Peter Institute will write to inform the complainant or appellant of this including the reasons for such.

Following this update, regular updates will be provided with progress.

For assessment appeals, we will appoint an independent assessor to conduct a review of an assessment decision that is being appealed. We will communicate the result of the complaints and appeals process to you in writing, and this will include the reasons for the decision.

If you do need to come in for a meeting, you can have a support person of your choice present to assist you in resolving the complaint or appeal. Generally, your enrolment will be maintained throughout any internal appeals process that concerns a decision to report you. Additionally, If the appeal is against our decision to report you for unsatisfactory course progress or attendance, your enrolment will be maintained until the external process is completed and has supported or not our decision to report you. If the appeal is against our decision to suspend or cancel your enrolment due to misbehaviour, this will not take effect until after the outcome of the internal appeals process.

INDEPENDENT PARTIES

Where the internal process has failed to resolve the complaint or appeal, you will be able to take your case to the **Commonwealth Ombudsman**.

International students may complain to the Commonwealth Ombudsman about a range of circumstances including:

- being refused admission to a course
- course fees and refunds
- being refused a course transfer
- course progress or attendance
- cancellation of enrolment
- accommodation or work arranged by St Peter Institute
- incorrect advice given by an education agent
- taking too long in certain processes such as issuing results
- not delivering the services indicated in the Student Agreement.
- More information can be found at:

[International student complaints | Commonwealth Ombudsman](#) You can access these services at no cost in relation to matters that cannot be resolved through internal processes. Further information and contact details are included below.

NATIONAL TRAINING COMPLAINTS HOTLINE:

The National Training Complaints Hotline is a national service for consumers to register complaints concerning vocational education and training. The service refers consumers to the appropriate agency/authority/jurisdiction to assist with their complaint. Access to the Hotline is through:

AUSTRALIAN SKILLS QUALITY AUTHORITY (ASQA):

Complainants may also complain to our registering body, Australian Skills Quality Authority (ASQA). It is important to understand that ASQA does not act as an advocate for individual students and is not responsible for resolving disputes between students and training providers. ASQA only uses information from all complaints as intelligence to inform regulatory activities. More information can be found at: [Tip-off report | Australian Skills Quality Authority \(ASQA\)](#) Nothing in this policy and procedure limits the rights of an individual to take action under Australia's Consumer Protection laws and it does

not circumscribe an individual's rights to pursue other legal remedies.

You may find additional information on the ASQA website:

<https://www.asqa.gov.au/about-us/how-asqa-uses-feedback/concerns-about-training-providers>

COMPASSIONATE OR COMPELLING CIRCUMSTANCES

You will find that many of our policies refer to compassionate and compelling circumstances so it is important to understand this term.

Compassionate and compelling circumstances are personal circumstances that:

- are involuntary and outside your control, for example, medical, family, wellbeing, or enrolment circumstances, and
- present you with limited or no choice.

COURSE PROGRESS AND MONITORING

In order to maintain satisfactory course progress and attendance you must:

- attend all of your classes, with a minimum attendance of 80% expected
- satisfactorily complete all of your assessments
- actively participate in classes.

Your course progress will be monitored to make sure you are completing all your assessments and actively participating in learning.

Your attendance will be recorded at the start and end of each class you attend and your attendance rate will be calculated weekly. Please note that you cannot be absent for more than 5 consecutive days without approval for a leave of absence. If you are absent, we will contact you via SMS, phone calls, and emails.

We may assess that you are at risk of unsatisfactory course progress and/or attendance if you:

- have an overall result of Not Yet Competent result for a unit
- do not attend classes on a regular basis
- do not participate in learning activities within the classroom.

An exception may be made where you are attending at least 70% of the course contact hours and is

maintaining satisfactory progress. In this case we will contact you in writing and issue you with a First Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and/or attendance and to agree on a plan to address this (an Intervention Strategy).

If following the First Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Second Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and/or attendance and to possibly adjust the Intervention Strategy agreed on.

If following the Second Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Notice of Intention to Report for Unsatisfactory Course

Progress/Attendance including the reasons for the notice. This will mean you may be reported to the Department of Home Affairs with the risk of your visa being cancelled. You may appeal this decision (refer to complaints and appeals) but you must do so within 20 days of receiving the notice.

We will only report unsatisfactory course progress or unsatisfactory course attendance if:

- the internal and external complaints processes have been completed and the decision or recommendation supports our original decision; or
- you do not appeal the decision within the 20-working day period; or
- you do not access an external complaints and appeals process; or
- you withdraw from the internal or external appeals processes by notifying us in writing.

Please note that extensions to your course duration specified on the CoE will be allowed:

- if you can provide evidence of compassionate or compelling circumstances
- where you are participating in or about to participate in an intervention strategy because you are at risk of not meeting course progress or attendance requirements.

DEFERRING YOUR COURSE

St Peter Institute allows you to defer your course. This means that your place is guaranteed, but you can choose to delay the start of your course for up to 12 months.

To defer your course, you will need to complete a Deferral Form and provide evidence of compassionate or compelling circumstances.

If your request is approved, you will receive a new Student Agreement including a revised start date.

It is important to check the impact on your visa by contacting the Department of Home Affairs.

SUSPENDING YOUR COURSE

St Peter Institute allows you to suspend your course. This means that although you have commenced your studies you will be able to take a leave from your studies of up to 12 months.

To suspend your course, you will need to complete a Leave of Absence Form and provide evidence of compassionate or compelling circumstances. If your request is approved, you will receive a new Student Agreement including a revised start date. It is important to check the impact on your visa by contact the Department of Home Affairs. A leave of absence will not be approved if fees are unpaid.

TRANSFERRING COURSES

If you wish to transfer to another RTO, English course provider or university within the first six months of your main course of study, you will need to apply for release from St Peter Institute. If you wish to transfer after six months, you do not need permission for release (although you will still need to complete a withdrawal form – see the section on deferral, suspension and cancellation).

For your application, the RTO or university you wish to transfer to must be registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). It is important to check this which you can do using the [CRICOS course and institution search](#).

St Peter Institute will approve your request for transfer if:

- the course is academically unsuitable for you because you are not able to achieve satisfactory course progress at the level you are studying despite participating in an agreed Intervention Strategy
- you can prove that you need the transfer because of compassionate or compelling circumstances
- the course outlined in your Student Agreement has not been delivered
- you provide evidence that your reasonable expectations about the course are not being met
- you provide evidence of being misled by St Peter Institute, or by an education or migration agent, regarding the St Peter Institute or the course, and the course is therefore unsuitable.

St Peter Institute will not approve your request if:

- you do not provide satisfactory evidence of compassionate or compelling circumstances
- you cannot show that you have been participating in the agreed Intervention Strategy in order to achieve satisfactory course progress
- you have unpaid course fees for the current study period
- the transfer would put your progression through a package of courses at risk
- you require access to particular support services that have not yet been provided or offered to you.

HOW TO APPLY

If you wish to apply to transfer to another registered provider prior to completing six months your main course, you must complete a Withdrawal Form and attach a copy of the offer from the other RTO or English course provider or university. The Withdrawal Form will require you to include a statement of your reasons for seeking release.

You will receive a notice advising you of the outcome within 10 working days of receipt of the form and valid enrolment offer. Where the request is granted, a Letter of Release will be provided to you. It is important for you to contact the DHA to seek advice on whether a new student visa is required. All refunds associated with course transfer will be in accordance with our Fees and Refunds policy.

APPEALING THE DECISION

If your application is unsuccessful, you will be advised in writing, and you can access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision.

We will not finalise the refusal until the appeal process is complete and either finds in our favour or until the 20-working day period in which you can access the complaints and appeals process has passed.

TRANSFERRING COURSES WITH ST PETER INSTITUTE

St Peter Institute offers students the options to transfer to other courses within St Peter Institute.

St Peter Institute *will* approve your request for transfer if you can show that:

- the course better meets your study capabilities and/or long-term goals
- you provide evidence that your reasonable expectations about the course are not being met.

St Peter Institute *will not* approve your request if:

- the transfer would put your progress through a package of courses at risk
- you require access to particular support services that have not yet been provided or offered to you
- there is evidence that you are trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements
- you have unpaid course fees for the current study period.

HOW TO APPLY

If you wish to apply to transfer to another course, you must complete an Internal Course Transfer Form. The form will require you to include a statement of your reasons for seeking release.

You will receive a notice advising you of the outcome within 10 working days of receipt of the form. Where the request is granted, a new CoE will be provided to you. It is important for you to contact the DHA to seek advice on whether a new student visa is required.

It is also important to check whether any additional fees will be required to be paid.

APPEALING THE DECISION

If your application for internal transfer is unsuccessful, you will be advised in writing, and you can access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision.

STUDENTS WHO ARE STUDYING A PRINCIPAL COURSE WITH ANOTHER PROVIDER

In certain situations, international students in Australia holding a student visa can pursue extra courses alongside their main study program. If a student decides to take courses at St Peter Institute alongside their primary study program from another CRICOS-registered provider, several conditions must maintain satisfactory attendance and course progress requirements in both courses.

St Peter Institute will not admit students for concurrent study within their first six months of their principal course.

DISCONTINUING YOUR STUDIES

You may decide that studying is not for you and choose to discontinue your studies. Before you make a final decision, however, it is a good idea to talk to us to help you to make an informed decision.

If you no longer wish to continue your studies with us, then you must complete a Withdrawal Form. Make sure you carefully read the Fees and Refunds information so that you know how your decision affects your fees. Usually once you have commenced a study period (term) you won't be able to get a refund.

SUSPENDING OR CANCELLING YOUR ENROLMENT

It is important to understand that your enrolment may be cancelled or suspended by us in a range of circumstances:

- Misbehaviour (i.e., not abiding by the Student Code of Conduct as outlined in this Handbook).
- Not paying your course fees.
- Not making satisfactory course progress or attending classes as set out in this Handbook.

Where any of the above circumstances apply you will be contacting in writing to inform you of the intended suspension or cancellation and the reasons for this.

You will be given the opportunity to access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision.

We will report you to until the internal appeal process is complete, unless your health and wellbeing or that of others could be at risk.

It is important for you to contact the DHA to seek advice on your student visa.
